About Smile USA

Smile USA has been a continuing education provider since 1998. It has conducted numerous courses on crown & bridge, implants & esthetic dentistry in the US and overseas. It is a co-sponsor of the prestigious Implant Maxicourse conducted by the American Academy of Implant dentistry.

Smile USA also hosts a study club, which meets quarterly to inform and educate dentists about recent trends in implants & esthetics. Headquartered in Elizabeth, NJ it has facilities to provide live demonstrations, hands-on and over the patient procedures. Participants can be trained one-on-one. NJ license required for patient procedures. Courses are limited to 15 participants only and will be registered on a first-come-first serve basis.

Smile USA® in association with Roseman University of Health Sciences Proudly Presents the following Fellowship Courses On Implant Mini Residency , TMD & Sleep Medicine & Esthetic Continuum One Of Its Kind in India with International Faculty & Certificate.

Why this Course

1. Not a product oriented Programme but a highly Clinically Oriented Academic course.
2. Pave the path in obtaining a higher academic qualification from USA.
3. Best of the teachers in the world from USA, Canada, UK, France and India.
4. Earn 150 (or 300 in case of MaxiCourse) of CDE hours.
5. Most reputed implant course in the world.
6. End of the course you will be competent in diagnosis, assessment, Surgical Placement of implants, impression techniques and cementation of final restoration and managing complications.
7. Low cost compared to similar courses run in other countries.
8. Easy payment terms.
9. Option of upgrading to MaxiCourse leading to the Fellowship of AAID (USA)
